International Scientific Conference*

**SUSTAINABLE DEVELOPMENT IN  
MANAGEMENT  
SCIENCE - BUSINESS - SELF-  
GOVERNMENT**

**26.09.2022**

**Time: 9: 00-15: 00 (hybrid)**

## CONFERENCE TOPICS

The aim of the conference is to discuss and exchange views on current trends in the development of knowledge in the areas of management and quality sciences, and to identify contemporary economic problems. The subject of the discussion is to identify the dependencies of managing business organizations and local government units in the context of the concept of sustainable development. The conference, addressed to both representatives of the world of science and representatives of business practice, has become a forum for the exchange of knowledge, views and experiences between the international academic community, business organizations as well as government and local government institutions.

**Conference languages: English, Ukrainian, Polish**

**Application form:**

<https://forms.gle/N2WTMdZm46NgUZRj6>

**Contact: [konferencja.zr@pcz.pl](mailto:konferencja.zr@pcz.pl)**

## MAIN SUBJECT ISSUES

**As part of the one-day conference, three thematic  
discussion panels (presentation of papers) are  
planned:**

**Panel 1.** Sustainable development of the region

**Panel 2.** Innovations for sustainable development

**Panel 3.** Management and knowledge in the service of  
sustainable development
